## **His Religion and Hers: A Study of the Faith of Our Fathers and the Work of Our Mothers (Pioneers of the woman's movement)** Charlotte Perkins Gilman

Charlotte Perkins Gilman's *His Religion and Hers* is a brave critique of organized religion and the consequences that a male-constructed religion has on everyday life. She suggests that through the development of secular ethics, religion can be directed not to the anticipation of a mythical afterlife, but instead to the transformation of the present. Courageously questioning why 'neither religion, morality, nor ethics has made us good,' she demonstrates the ways in which a male driven ideology has produced a religion focused on death and discourages any attention to the improvement of life on earth. Offering new thoughts that advocate a collective change of view, this volume delves intensively into religion and the influence of gender. Coming generations will welcome this new edition of *His Religion and Hers*, now with an introduction by noted scholar Michael S. Kimmel.
