SAW (Devil's Advocates)

Ben Poole

SAW (Devil's Advocates) Ben Poole

Like all game changers within the horror genre, *SAW* was an independent success, a low-budget champion that flourished without the patronage of a big studio. Not bad for the most successful horror franchise ever, which has spawned subsidiary media and masses of merchandise, including a theme park rollercoaster ride. What is it about *SAW* that attracted such a following? In his contribution to the "Devil's Advocates" series, Ben Poole considers the *SAW* phenomenon from all aspects of film and media studies – from its generic pedigree in both literature and film, to the visceral audience pleasures ("what would I do?") of the text, to the contrasting representations of men and women and the film's implicit criticism of masculinity.
