The Final Solution: Origins and Implementation

The Final Solution: Origins and Implementation

The Final Solution clarifies the key questions surrounding the attempt by the Nazis to exterminate the Jews. Drawing on important new research, these authoritative essays focus on the preconditions and antecedents for the 'Final Solution' and examine the immediate origins of the genocidal decision.

Contributors also examine the responses of peoples and governments in Germany, occupied Europe, the USA and among Jews worldwide. The controversial conclusions of this study challenge many of our accepted ideas about the period.
