GENRE: Children's Adventure (An Unofficial Minecraft Book for Kids Ages 9 - 12 (Preteen)) Book 1: The Missing Ocelot Lilly is an Ocelot and lives in the middle of the jungle with her family. She enjoys a happy life along her younger brother Olly, her mother Bella and her father Milo. One day, Milo left their home and went on a mysterious journey to which he never came back from. Determined to find her dad, Lilly and Olly run away from home and go on a journey to find their dad. What they still don't know is how dangerous the world out there can be, with menacing threats for the environment where they live and many enemies lurking in the area. Read Lilly's diary and find out what great adventures are waiting for them in the world of Minecraft. Book 2: Rescuing an Ocelot After venturing into the woods in the hopes of finding their dad, Lilly and Olly made a new friend, Seph, who joined them in their mission. The trio ran into trouble in many different cities, even to the point of being captured by humans. Fortunately, the group found their way out of their prison and made it safely back to their house. They told everything they knew to their mother – of how the humans plan to destroy the jungle to increase their cities. They must find a way to stop the deforestation, while searching for their dad. The imminent danger knocks by their door when a group of humans destroys their house. Now the group formed by Lilly, her brother Olly, mother Bella and friend Seph must return to the cities and find their dad Milo. Only then they may be able to confront this terrible threat and find a solution for their endangered world. Book 3: Saving the Forest Two months ago, when the ocelot, Lilly, and her brother Olly decided to go on a mission to rescue their Dad from the humans living in the cities, they thought it was going to be an easy and quick task. Little did they know how much trouble they would get into during their mission. Luckily, they made new friends in their travels, such as the intelligent ocelot Seph and the loyal human Greg. With a good teamwork, they managed to get their dad Milo out of the human prison. Now with their family reunited again, it is time to save the jungle. Lilly and her family must stop the lunatic leader Loki from destroying the forests. This egomaniac mayor wants to cut down every single tree to open up space for a new city – South city – and build an expensive Minecart system across the 4 major towns. With only West city and its mayor, Edd, by their side, will Lilly and her family find a way to stop Loki before the jungle is gone for good? If this ecological system is destroyed, what could happen to the natural environment of this Minecraft world? Find out more in the third and last chapter of Lilly's diary, The Diary of an Ocelot – Book 3. Author's Note: This short story is for your reading pleasure. The characters in this "Minecraft Adventure Series" such as Steve, Endermen or Herobrine...etc are based on the Minecraft Game coming from Minecraft ®/TM & © 2009-2013 Mojang / Notch
