**Investing: How to Generate Wealth in Today's Market: An Investor's Guide to: Stocks, Bonds, Commodities, Futures, Mutual Funds, Options and your 401K** Joseph Matthews

**This book is a starting point to help you understand your investing options and how they work. It is key to understanding how to make the most of investing before you invest any money- an investor's guide to stocks, bonds, commodities, futures, mutual funds, options and your 401k.**

The rich keep getting richer and the poor, well....But have you ever stopped to consider why rich people continue to become wealthy. How do they continue to keep their wealth growing in spite of their increasing financial responsibilities?

The answers to all of these questions lie within a simple concept known as investment. The rich have mastered the art of investment and have learned to use it to grow their wealth. It is not unusual to see wealthy people delve into investment opportunities that other people may deem crazy. But that's the secret; that's how wealth is created.

Wealthy people look for untapped opportunities; paths where other people wouldn't dare tread and then do their best to spin it into a money maker.

Well, don't get me wrong; investing is not a get-rich-scheme and definitely not a bed of roses; it takes knowledge, efforts and a lot of risk taking and sometimes, you may even get your hands burnt.

**But that's the whole essence of this book.**

In this book, we take you by the hand and reveal to you, in the simplest terms possible, the art of investment and how to make the most out of various investment instruments such as stocks, bonds, real estate, and futures market.

When you are done reading this book, you'll feel like you can have a discussion with your investment manager (that's if you'll still need one) from a position of knowledge and authority.
