**Homework Hang-Ups:: Tips for Helping Your Child with Homework Demands** Meriam F. Wilhelm M.Ed

Don't let homework demands ruin your child's life. Balancing after school activities with loads of homework can be a pain in the neck for kids and parents alike. Finding the time, let alone the energy, to get the work done can be challenging for even the most organized family. However, the importance of homework rises to a new level when parents understand that students who consistently take ownership of their homework assignments perform better in schools than those who do not. And by developing strong homework practices kids can also learn time management, prioritization, self-discipline and problem solving skills. Travel through the pages of this book to learn: Why good teachers give homework The importance of scheduling a consistent place and time for your child to work Tips for scheduling homework demands Strategies for dealing with a child whose got a case of the "I don't want to's" And more.....
