The new Fourth Edition of the **Massachusetts Eye and Ear Infirmary Review Manual for Ophthalmology** provides a comprehensive self-assessment review and serves as a valuable study aid for any ophthalmologist or ophthalmologist-in-training. The text contains over 1,800 multiple-choice questions covering the entire field of ophthalmology, including all of its major subspecialties. Answers with explanations are provided for each question, and references are included at the end of each chapter. This edition includes more than 250 new full-color photographs and drawings depicting ocular pathology and ophthalmic conditions.

All chapters have been updated with new questions to reflect the latest teaching in the field. A companion website features an interactive test bank including all the questions in the book plus 300 unique questions for additional self-assessment practice.
