The Selkie Melanie Jackson

A USA Today Bestselling Author

While the technology of the wars had changed the face of Europe, some things stayed the same; the tempestuous Scottish coast and the surrounding sea remained a place of unquenchable magic and mystery. Sequestered at Fintry Castle by the whim of her mistress, Hexy Garrow spared seven tears for her past -- all of which were swallowed by the waves. By joining the water, those tears completed a ritual, and that ritual summoned a prince. He came for Hexy -- and for something she didn't know she had stolen. His very nature went against all Hexy had ever believed, but his love was everything she'd ever desired. And he'd come not to collect her for the insatiable ocean, but for himself.
