A vicious attack. A missing elder. A faceless enemy.

Just when it looks like things at Crossroads Academy are getting back to normal and a grueling Chemistry final is the only thing standing between Katia and a much needed summer break, the serenity of the school- and the Elder's Council- is shattered, bringing the vampire world to its knees.

Hunted by an invisible enemy and called to serve a coven on the brink of war, Katia will soon discover that evil wears many faces, some more familiar than others. And with the lives of those she loves hanging in the balance, the stakes are higher than ever. Can Katia embrace her bloodline before it destroys everything she's come to cherish?
