*Chinese with Mike* is 100% new and breaks with traditional Chinese curricula. Mike's humour, mixed with his logical, step-by-step approach shields learners from the unnecessary complexities of Mandarin Chinese. Through a blend of 60 short practice lessons and audio, you'll acquire essential Chinese with confidence. More importantly, you get a little one-on-one time with Mike, as he makes learning Chinese ridiculously easy-and fun! This activity book is for use with the corresponding Coursebook (ISBN 9781444198577). This is a solid foundation course that teaches you how to speak Chinese and also understand how the language fits together. Season 1 This covers pinyin, the four tones and writing system using Simplified Chinese characters, common words, phrases and typical conversations. In no time you'll be able to talk about yourself, your family, your friends, your job, your home, your dogs and cats. Season 2 If Season 2 wasn't included in the book, you wouldn't be able to tell people you can speak Chinese, you like to play basketball, or you want to eat beef fried rice. More importantly, you wouldn't even know how to ask permission to use the bathroom! Without Season 2 you wouldn't get very far in life. Mike Laoshi (Teacher Mike) will astound you with his unparalleled ability to make learning Mandarin Chinese fun and easy. Be warned, his teaching style is highly addictive, so if you have a family, career or social life, you may want to put those on hold for a little while.
