Being on the cutting edge does not necessarily mean we are sharper or keener than anyone else. It simply means we feel the cutting edge of the sword of the Spirit and are somewhat compelled to conform and change in areas that need improvement. Please do not interpret this research material as an attempt to overthrow all things precious and valuable to you, or the institutional church. Indeed it is not. It is a deductive attempt to expose areas of darkness by daring to intensify the light. My prayer is that all of you will study this work with objectivity and sincerity. Truth will prevail, and we will stand before Yahshua to give an account for those things done in the body, whether they be good or evil.
