The Four Horsemen of the Apocalypse: First World War Centenary (Classics To Go) Vicente Blasco Ibanez

"The Four Horsemen of the Apocalypse" presents a new view point from which to see and feel World War I, the Great War. All characters see the war through the eyes of their own country. It is rich and varied in scene, human in its characterisations, interesting throughout, and above all, refreshingly straightforward and conclusive on the subject of the Germans and their methods of warfare.
