Location: Dachau concentration camp, years after World War II. A retired German SS captain returns to reminisce about his days in power?until he finds himself at the mercy of those he tortured, on trial by those who died at his hands. Justice will finally be served . . . in the Twilight Zone.

One of most ground-breaking shows in the history of television, *The Twilight Zone* has become a permanent fixture in pop culture. This new graphic novel series re-imagines the show's most enduring episodes, in all their original uncut glory, originally written by Rod Serling himself, and now adapted for a new generation?a generation that has ridden Disney's Twilight Zone Tower of Terror™ ride, studied old episodes in school, watched the annual marathons, and paid homage to the show through the many random take-offs that show up in movies and TV shows everywhere.
