#### Michael Mitchell:

People live in this new moment of lifestyle always try to and must have the free time or they will get great deal of stress from both lifestyle and work. So , if we ask do people have extra time, we will say absolutely of course. People is human not really a huge robot. Then we ask again, what kind of activity are you experiencing when the spare time coming to a person of course your answer may unlimited right. Then ever try this one, reading textbooks. It can be your alternative with spending your spare time, the actual book you have read is usually Brazil, land of the future,.

#### Bruce Smith:

As a student exactly feel bored to be able to reading. If their teacher questioned them to go to the library in order to make summary for some book, they are complained. Just minor students that has reading's spirit or real their leisure activity. They just do what the educator want, like asked to go to the library. They go to there but nothing reading seriously. Any students feel that reading through is not important, boring and can't see colorful photographs on there. Yeah, it is to get complicated. Book is very important to suit your needs. As we know that on this era, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore this Brazil, land of the future, can make you feel more interested to read.
