Education, Democracy and Political Development in Africa

Clive Harber

Education, Democracy and Political Development in Africa Clive Harber

For most of the post-independence period African states have been ruled by one-party and military regimes. Writers on political development theory came to see this as inevitable. Pressures both from within Africa itself and from outside, however, have rekindled debates about democracy in the African context and have led to a whole raft of multi-party elections. ... This book aims to provide a political analysis of education in Africa within the context of democratization.
