## **Plaisir Du Texte (Le) (French Edition)** Roland Barthes

Que jouissons-nous du texte ? Cette question, il faut la poser, ne serait-ce que pour une raison tactique : il faut affirmer le plaisir du texte contre les indifférences de la science et le puritanisme de l'analyse idéologique ; il faut affirmer la jouissance du texte contre l'aplatissement de la littérature à son simple agrément. Comment poser cette question ? Il se trouve que le propre de la jouissance, c'est de ne pouvoir être dite. Il a donc fallu s'en remettre à une succession inordonnée de fragments : facettes, touches, bulles, phylactères d'un dessin invisible : simple mise en scène de la question, rejeton hors-science de l'analyse textuelle.
