Ritual Magic (Magic in History)

Elizabeth M. Butler

Ritual Magic (Magic in History) Elizabeth M. Butler

Occult knowledge and practice can be divided into three main branches: astrology, which aims to guide human fortune by means of foreknowledge; alchemy, which tries to secure power through the agency of the philosopher's stone; and ritual magic, which seeks to control the spirit world. In this classic book (first published in 1949), Elizabeth Butler explores ritual magic using a wide range of texts, from the pre-Christian rites of the Akkadians and Chaldeans to the Solomonic *Clavicles* of medieval Europe. She quotes extensively from these documents, providing the reader with an authentic sense of their richness and power.

Butler also examines the careers of noted magicians of the fifteenth to nineteenth centuries, the history of ceremonial magic in England, the myth of Satanism, and the rituals involved in the Faustian pact with the devil. *Ritual Magic* is essential reading for all interested in the history of magic and in the way that magic traditions change as they move from culture to culture and from century to century.

From reader reviews:

Rose Cotner:

Book is actually written, printed, or illustrated for everything. You can know everything you want by a guide. Book has a different type. As it is known to us that book is important thing to bring us around the world. Alongside that you can your reading talent was fluently. A reserve Ritual Magic (Magic in History) will make you to possibly be smarter. You can feel more confidence if you can know about everything. But some of you think that open or reading any book make you bored. It is not necessarily make you fun. Why they can be thought like that? Have you looking for best book or appropriate book with you?

Richard Zhang:

Book is to be different per grade. Book for children until finally adult are different content. As you may know that book is very important usually. The book Ritual Magic (Magic in History) ended up being making you to know about other know-how and of course you can take more information. It doesn't matter what advantages for you. The reserve Ritual Magic (Magic in History) is not only giving you more new information but also being your friend when you feel bored. You can spend your current spend time to read your reserve. Try to make relationship together with the book Ritual Magic (Magic in History). You never sense lose out for everything when you read some books.

William Lyons:

Many people spending their time by playing outside using friends, fun activity along with family or just watching TV the entire day. You can have new activity to spend your whole day by reading through a book. Ugh, think reading a book can definitely hard because you have to accept the book everywhere? It ok you can have the e-book, delivering everywhere you want in your Mobile phone. Like Ritual Magic (Magic in History) which is having the e-book version. So , try out this book? Let's notice.

Melanie Fox:

A lot of reserve has printed but it differs from the others. You can get it by online on social media. You can choose the most beneficial book for you, science, comic, novel, or whatever simply by searching from it. It is identified as of book Ritual Magic (Magic in History). You'll be able to your knowledge by it. Without making the printed book, it can add your knowledge and make you happier to read. It is most significant that, you must aware about book. It can bring you from one location to other place.
