**The Great Divide** Stephen Pern

Print Reviews

At the age of 32, Stephen Pern crossed over from his native England to Antelope Wells, New Mexico. Five months and two weeks later he arrived at the Canadian border. He averaged 16 miles and half a pack of cigarettes a day...

The funniest travel book I've read since Eric Newby...

Tangoes of pure and brash elegance...

Mr. Pern is more than a superb walker. He is a gifted writer...his book is travel writing at its best...

All alone and on foot, Stephen Pern has discovered America...

Reading The Great Divide is like being the companion Stephen Pern didn't take with him....

Poetry and Motion... Pern is a joy to read...

Amazon Reviews

In the tradition of Least Heat Moon's 'Blue Highways' and Bryson's 'In A Sunburned Country' ... Pern takes each encounter and uses it to reflect a bit of the American psyche...

...spilling imagery as brilliant as the mountains he traverses. I felt his pain, I felt his joy. This is a must read.

This book is hilarious at times, actually MOST of the time! I found myself laughing out loud (something very few books have been able to do to me!)...

...compelling reading for anyone considering backpacking even part of the trail - and anyone trying to understand rural America...

Description

Englishman walks from Mexico to Canada along The Great Divide. Lots of pix and maps.

### From reader reviews:

#### **Deborah Hart:**

This The Great Divide are usually reliable for you who want to be a successful person, why. The main reason of this The Great Divide can be one of the great books you must have is usually giving you more than just simple studying food but feed an individual with information that maybe will shock your earlier knowledge. This book is definitely handy, you can bring it almost everywhere and whenever your conditions both in e-book and printed ones. Beside that this The Great Divide giving you an enormous of experience for instance rich vocabulary, giving you test of critical thinking that could it useful in your day exercise. So , let's have it and luxuriate in reading.

#### **Lynn Jones:**

People live in this new moment of lifestyle always try to and must have the extra time or they will get large amount of stress from both lifestyle and work. So , when we ask do people have time, we will say absolutely sure. People is human not really a robot. Then we inquire again, what kind of activity have you got when the spare time coming to you of course your answer will probably unlimited right. Then ever try this one, reading textbooks. It can be your alternative in spending your spare time, often the book you have read is actually The Great Divide.

#### **Linda White:**

The Great Divide can be one of your nice books that are good idea. Many of us recommend that straight away because this reserve has good vocabulary that can increase your knowledge in terminology, easy to understand, bit entertaining but still delivering the information. The article writer giving his/her effort to put every word into satisfaction arrangement in writing The Great Divide yet doesn't forget the main stage, giving the reader the hottest and also based confirm resource details that maybe you can be one among it. This great information may drawn you into new stage of crucial thinking.

#### **Valery Carpenter:**

A number of people said that they feel bored when they reading a publication. They are directly felt that when they get a half regions of the book. You can choose the particular book The Great Divide to make your own personal reading is interesting. Your personal skill of reading talent is developing when you just like reading. Try to choose very simple book to make you enjoy to see it and mingle the opinion about book and looking at especially. It is to be very first opinion for you to like to wide open a book and go through it. Beside that the guide The Great Divide can to be a newly purchased friend when you're really feel alone and confuse with the information must you're doing of that time.
