Book 2 of The Mackenzies

"A shepherd's hut, twenty-four hours, a stranger..." It's not the perfect start to Gemma Winters' new life--another man is the last thing she needs after the suffocating control of her ex. But, when she finds herself isolated with a ruggedly handsome stranger, the demands of her body take over.

Since his wife died, Callum Mackenzie's relationships have been strictly practical, with his only real love affair being with his land. But his family wants him to re-marry and he wants heirs. When Gemma turns up, he begins to think marriage might be a possibility after all. Their twenty-four hours of passion has shattering consequences--marriage and two people who are forced to face their worst fears...
