The White Dog Cafe has earned international acclaim for its exceptional food, innovative menus, and commitment to community involvement and social responsibility. Now, in their first cookbook, Proprietor Judy Wicks and Chef Kevin von Klause share 250 kitchen-tested recipes for their internationally inspired American cuisine, along with tales of adventure from more than 15 years of implementing the White Dog's philosophy of 'eating well while doing good.'

They accomplish this by using the freshest produce available, buying it from local farmers, sponsoring and interacting with sister restaurants around the world and at home, and opening up their restaurant as a forum for lectures and debates on social issues from public education and environmental protection to bioethics and international peace. Illustrated with Judy Wicks' delightful line drawings and evocative black-and-white photographs of the restaurant's canine-inspired decor, the "White Dog Cafe Cookbook" is an entertaining read and an important culinary reference sure to inspire any cook -- in the kitchen or in the community.
