## **Borderless Leadership: Global Skills for Personal and Business Success** Zlatica Kraljevic Ph.D

On January 12th, 2013 an article in The Economist dubbed today's emerging markets a "World of Trouble." Zlatica Kraljevic disagrees. In *Borderless Leadership*, Kraljevic explains: "The world has never been and will never be perfect or even peaceful, but to dub it a horribly complicated place doesn't help to understand it. On the contrary it clutters the mind with thoughts of global havoc that provoke a surge of anxiety . . . at a time when what most people need is clarity and perspective." *Borderless Leadership* captures the essence of what success means in today's world, and breaks the code on how to achieve it. Kraljevic reduces complexity to a five-step model that makes you see the world from a ground-breaking and manageable perspective. This book is essential reading for everyone who wants to break away from old practices and acquire the personal and business skills to succeed in today's borderless society. *Borderless Leadership* can transform you from an outsider looking in to an effective leader in today's new world of global business.
