Connect is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need, when they need it, how they need it, so that your class time is more engaging and effective.

Designed for the one-semester anatomy and physiology course, *Hole's Essentials of Human Anatomy and Physiology* assumes no prior science knowledge and supports core topics with clinical applications, making difficult concepts relevant to students pursuing careers in the allied health field. The unparalleled teaching system is highly effective in providing students with a solid understanding of the important concepts in anatomy and physiology.

Users who purchase Connect receive access to the full online ebook version of the textbook.
