*James Franco*

**Palo Alto: Stories** James Franco

**A fiercely vivid collection of stories about troubled California teenagers and misfits--violent and harrowing, from the astonishingly talented actor and artist James Franco.**

*Palo Alto* is the debut of a surprising and powerful new literary voice. Written with an immediate sense of place--claustrophobic and ominous--James Franco's collection traces the lives of an extended group of teenagers as they experiment with vices of all kinds, struggle with their families and one another, and succumb to self-destructive, often heartless nihilism. In "Lockheed" a young woman's summer--spent working a dull internship--is suddenly upended by a spectacular incident of violence at a house party. In "American History" a high school freshman attempts to impress a girl during a classroom skit with a realistic portrayal of a slave owner—only to have his feigned bigotry avenged. In "I Could Kill Someone," a lonely teenager buys a gun with the aim of killing his high school tormentor, but begins to wonder about his bully's own inner life.

These linked stories, stark, vivid, and disturbing, are a compelling portrait of lives on the rough fringes of youth.

### From reader reviews:

#### Flora Young:

Inside other case, little individuals like to read book Palo Alto: Stories. You can choose the best book if you want reading a book. Providing we know about how is important any book Palo Alto: Stories. You can add information and of course you can around the world by just a book. Absolutely right, since from book you can realize everything! From your country until foreign or abroad you will be known. About simple factor until wonderful thing it is possible to know that. In this era, we could open a book or perhaps searching by internet unit. It is called e-book. You can utilize it when you feel weary to go to the library. Let's examine.

#### Eva Dawson:

What do you concerning book? It is not important along? Or just adding material when you need something to explain what the ones you have problem? How about your extra time? Or are you busy man or woman? If you don't have spare time to try and do others business, it is make you feel bored faster. And you have spare time? What did you do? Every person has many questions above. They should answer that question since just their can do this. It said that about book. Book is familiar on every person. Yes, it is right. Because start from on pre-school until university need this particular Palo Alto: Stories to read.

#### Alvaro Holloway:

Do you considered one of people who can't read satisfying if the sentence chained from the straightway, hold on guys that aren't like that. This Palo Alto: Stories book is readable by means of you who hate those perfect word style. You will find the information here are arrange for enjoyable looking at experience without leaving even decrease the knowledge that want to offer to you. The writer regarding Palo Alto: Stories content conveys the thought easily to understand by many people. The printed and e-book are not different in the written content but it just different as it. So , do you continue to thinking Palo Alto: Stories is not loveable to be your top record reading book?

#### Carmen Hamm:

Playing with family inside a park, coming to see the marine world or hanging out with friends is thing that usually you have done when you have spare time, then why you don't try matter that really opposite from that. A single activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you already been ride on and with addition of knowledge. Even you love Palo Alto: Stories, it is possible to enjoy both. It is very good combination right, you still want to miss it? What kind of hang type is it? Oh can happen its mind hangout men. What? Still don't understand it, oh come on its called reading friends.
